We are so grateful for those who care for our guests. When you donate to us you are giving to men and women who need support, shelter, sustenance, and skills to transform their lives. In Autumn we were shaken when one of our shelter guests was called home to the Lord. It was an honor to know her, love her and be a part of her journey in faith. After a shaking comes rebuilding and as a result some of the women who have stayed in our Shelter are rebuilding their lives as they are currently enrolled in the 'Feed Me Hope' job training program. These women are making steps in their sobriety that they've never made before and it's such a delight to see them healing, laughing, and learning together. We look forward to what God has in store for the Downtown Hope Center in 2023 and pray you will join us on this glorious journey of LIFE TRANSFORMATION in the lives of those we serve.
